**WEEK #14 NOTES :**

The odds were in KSA's favor for making the final playoff spot with a 6-8 record and that is just what happened. Good luck to you all in the playoffs. Three past champions are out, including myself, with only Webb with a chance of becoming a repeat champion. A new head may very well wear the crown this year just like last year when Paul grabbed it. Either way, with Paul out, we will have a new champion. Congrats to Rick for posting a 96 and getting the last high score bonus.

**WEEK #14 TRANSACTIONS :**
