WEEK #14 NOTES :

Mr. McCorkle went down fighting by scoring 104 and getting the final high score bonus. It wasn't enough to get him into the playoffs though. KSF grabbed a spot by getting his seventh win and in a tie among JBG, SSS, TVH and RDL, it was TVH that came out on top of the head-to-head tie-breaker, giving him the final playoff spot. In the closest season we've ever had I know that the 8 teams that managed to get a playoff spot feel very lucky to have done so. Some good teams are staying "home". There is no "loser bowl" but feel free to arrange side matchups to use up the remainder of the season. Also, keep in mind next weekend is wild weekend. Start getting those rankings together.
