WEEK #17 NOTES :

Congratulations to Mr. Webb and his GWG team. They are the OGFFL Champions for 2002!! This will put Gary's name on the Trophy for the second time. He didn't exactly bust the doors down to win it in the Super Bowl (and Paul gave him an assist) but this league is about making the right calls at the right time and over-coming extreme parity. Gary did just that all year. He won the most games, scored the most points and will be taking home the hardware. Hard to argue with that. I want to thank everyone for a great and exciting year and I look forward to next August when we start it all up again.
