WEEK #14 NOTES :

Mr. Martin finishes on a high note by cracking the century mark and grabbing the last high score bonus. Nice job. The three teams vying for the last playoff spot, very fittingly, all lost. This puts Mr. Cooper's 5-9 squad into the playoffs. Some notable things now that the regular season has concluded: Mr. Webb posts a new season point record of 1333 points. This beats the old record by almost 100 points but yet he manages to lose four games and is the #2 seed. Russ clinched a playoff spot earlier than anyone ever had but ends up the #5 seed in the playoffs. Injuries kill. Finally, in this very much haves and have-nots year, five teams finished with less than 900 points. That's the most ever and led to the worst record ever to make the playoffs. Last year the lowest scoring team had 924 points. Mr. Webb also added to his cash accumulations this year by taking Wild Weekend this week as well. He scored 1422 points to take the \$100 prize. Good luck to everyone in the playoffs. For the first time since 2001, I won't be joining you. ☺
