**WEEK #17 NOTES :**

How would you like to score 110.5, the most ever scored in a Super Bowl, and lose? Well, Randall and John put on a wild one. In the end, Mr. Lyons' twelve touchdowns (8 running and receiving, 4 passing) and 118 points were enough to defeat Randall's excellent score. John is a founding member. He and I started this thing back in 1995. It's nice to see him get his first Championship. Congrats John!

Rick knocked off Doug to take the big \$13 third place prize. Rick's win did however ensure that the three division winners took the top three spots. How strange that in one of the most competitive seasons ever, the seeds would hold so true in the playoffs. Only in the championship game did a lower seed win.

This was an excellent season and I want to thank everyone for their participation. Can't wait for next season!! ☺
