WEEK #14 NOTES :

Even a blind squirrel finds a nut once and a while. My team picked a nice week to start scoring touchdowns and as a result I got high score with 100 points, my first of the year. Even better, it translated into a Wild Weekend win for me with 1461 points. Nice! Enough about me, let's talk about Rick. Nah! Let's talk about owners who MADE the playoffs. Mr. Anderson clinched last week (and I failed to mention it) and this week the playoffs were filled out by the addition of myself (barely), Hu, and Randall. So, the playoffs begin. Doug finished the season with two straight losses and you have to think the race to the Super Bowl is wide open. The seedings definitely do not reflect the results of the last four weeks of the season. Heck, Hu is entering the playoffs on a five game winning streak and he's the 7 seed. Good luck to everyone and remember, the rosters you had for this week are the ones you will use for the playoff pool.

WEEK #14 TRANSACTIONS :

TMH waived PK Gould, Robbie-CHI, claimed PK Suisham, Shaun-PIT
SOS waived WR Washington, Nate-TEN, claimed WR Mason, Derrick-BAL
