WEEK #17 NOTES :

Fourteen years and three Super Bowl losses later, I finally get to put my name on the trophy a second time. Winning was a relief because I've known since early in the season that I had a team that could do it. They don't come along often, at least not for me, and when you get one, you want it to finish the job. My guys did finish the job in fine fashion by topping 100 points for the 6th time this season in a 115.5 to 61 win over Mr. Webb. Mr. Lyons took 3rd place with a win over Randall. It was a great season and I look forward to defending my title next year.
